Description

Product Brief

This high quality VGA extension cable allows you to extend the distance between your computer and your VGA monitor. Using individual coaxial cables for each video signal, this VGA extension cable ensures optimum picture quality.

Features

- Extend the distance of your existing VGA monitor or projector
- HD15 Pin Male to HD15 Pin Female
- Supports resolutions up to 1920 x 1200
- 24k gold plated corrosion resistant connectors for maximum conductivity and low signal loss
- Ferrite core on both ends to minimise EMI/RFI
- Tri-coaxial, triple shielding reduces interference, noise and distortion
- Improved signal transfer with high grade oxygen-free copper wire
- Fully moulded cable for added durability
- Lifetime warranty
