### Description

#### Product Brief

The 1RU Horizontal Cable Manager with 5 Rings is a versatile cable management solution designed for use with any standard 19-inch rack. With five rings for organising and securing cables, this cable manager helps to improve cable organisation and reduce clutter in server rooms and data centres. The 1RU design allows for easy installation into any standard 19-inch rack, making it a convenient and practical solution for cable management.

#### Features

- Five rings for organizing and securing cables
- 1RU design for easy installation into any standard 19-inch rack
- Durable construction for long-lasting use
- Ideal for server rooms, data centres, and other applications where cable management is essential
- Lightweight and easy to handle
