Description

Product Brief

This DVI-D Dual Link cable is used to extend the distance between your DVI video card and digital flat panel monitor, projector or other DVI device. This cable supports both Dual Link and Single Link DVI formats and supports video resolutions up to 2560 x 1600.

Features

- Extend the distance between your DVI video card to a flat panel monitor, projector or other DVI device
- 24+1 Pin DVI-D Dual Link Male to 24+1 Pin DVI-D Dual Link Female
- High-speed digital transmission rate up to 9.9Gbps
- Supports resolutions up to 2560 x 1600
- Supports both Dual Link DVI and Single Link DVI formats
- Triple shielding reduces interference, noise and distortion
- Improved signal transfer with high grade oxygen-free copper wire
- Corrosion-resistant connectors designed for maximum conductivity and low signal loss
