Description

Product Brief

For high definition, all-digital video in pure digital form that looks its best, this HDMI to DVI-D cable with enhanced durability and optimized signal transfer offers an extraordinary high-definition video experience. All our HDMI to DVI cables are manufactured with 24k gold contacts for maximum signal transfer and corrosion resistance, along with high-density, triple-layer shielding for excellent interference rejection.

Features

- Triple shielding reduces interference, noise and distortion
- Improved signal transfer with high grade oxygen-free copper wire
- Corrosion-resistant connectors designed for maximum conductivity and low signal loss
- Designed to send DVI digital video signals to video equipment with HDMI interface or vice versa
- Suitable for High-Definition digital video (720p, 1080i and 1080p) or standard video formats
- Supports Single Link DVI-D resolutions up to 1920 x 1200
