Description

Product Brief

Sync and charge your iPhone/iPad/iPod/Airpods with your USB-C enabled Mac, MacBook Pro, iPad or Windows computer. Take advantage of the fast-charging feature on selected iPhone and iPad Pro models with the USB-C to Apple Lightning Cable. This extra long length cable will be suitable for those times when the socket isn't next to the desk. All Klik Lightning Cables are MFi licensed to ensure compatibility for all current and future iOS updates. The soft durable molded jacket can manage the tightest of corners and is durable enough to endure years of use

Features

- USB-C Male to Lightning Male
- Suitable for an iPhone/iPad/iPod with a Lightning connector
- Extra long moulded strain relief for added durability
- Charge & sync your Apple device from a Mac, MacBook or any USB-C computer
- Connect to a USB-C wall charger & take advantage of the fast charging feature on select iPhone models
- Certified by Apple under the MFi licensing program to ensure compatibility with all future iOS upgrades
