### Description

#### Product Brief

Sync and charge your iPhone/iPad/iPod/Airpods with your USB-C enabled Mac, MacBook Pro, iPad or Windows computer. Take advantage of the fast-charging feature on selected iPhone and iPad Pro models with the USB-C to Apple Lightning Cable. All Klik Lightning Cables are MFi licensed to ensure compatibility for all current and future iOS updates. This handy 25cm length cable reduces desk clutter while the soft durable molded jacket can manage the tightest of corners and is durable enough to endure years of use

#### Features

- USB-C Male to Lightning Male
- Suitable for an iPhone/iPad/iPod with a Lightning connector
- 25cm length is ideal for multiple charging stations to avoid clutter and tangles
- Extra long moulded strain relief for added durability
- Charge & sync your Apple device from a Mac, MacBook or any USB-C computer
- Connect to a USB-C wall charger & take advantage of the fast charging feature on select iPhone models
- Certified by Apple under the MFI licensing program to ensure compatibility with all future iOS upgrades
