Description

Product Brief

Charge up to 5 power hungry USB devices with this compact yet powerful USB desktop charger. A large 40W of power allows you to charge your smartphones, tablets and other USB devices simultaneously and at fast charging speeds.

The Smart Power Chip will identify your connected device and ensure fastest possible charging times for Apple, Android, Windows and other devices. Just plug in your device and let the Smart Power Chip do the rest.

Enjoy maximum power with maximum safety. In-built protection against over current, over voltage, over heating and short circuits for total peace of mind.
