Description

Product Brief

Expand the capabilities of your Windows computer with this extensive Dual HDMI Multi-Port adapter. Whether you are in the office, working from home or away on the road, this adapter will keep you up to speed and connected to all your favourite devices. Display your presentation or extend your desktop with two HDMI connectors which support up to 4K UHD @30Hz in single mode or Full HD 1920 x 1080 @60Hz in dual mode. Connect to a wired network with a LAN port, connect peripherals with 3 x USB-A ports and transfer data at up to 5Gbps and manage all this while connected to up to 100W USB-C Power Delivery (PD). This plug and play adapter works right out the box and needs no additional drivers or software installing
